McGuireWoods and McGuireWoods Consulting attended Equality Virginia's 16th Annual Commonwealth Dinner on April 13 at the Greater Richmond Convention Center. McGuireWoods was a silver sponsor of the event, filling three tables with lawyers, government affairs and advocacy professionals, and friends.

Each year, Equality Virginia recognizes Virginians who are lesbian, gay, bisexual or transgender, and allied individuals and organizations that have proven themselves leaders of distinction in Virginia's move toward equality. This year's event honored the Arlington Gay & Lesbian Alliance, as well as several individuals, including Richmond Mayor Levar Stoney and Jay Timmons, CEO of the National Association of Manufacturers.
